Baldrige Express Instructions

This survey consists of **45** themes that relate to the 2008 Baldrige Health Care Performance Excellence Criteria. It is organized into seven “sections,” one for each of the seven Performance Excellence Criteria Categories.

- To the best of your knowledge, select the level of development in your organization.
- After all statements have been rated, circle two letters next to each statement that **you believe needs the most improvement** in your organization and **describe how the process is currently done and to what extent throughout the organization. Also, please suggest steps that your organization or its leaders could take to improve the process.** Please write legibly. Your thoughtful comments are as helpful as the rating itself.
- Continue in the same way to complete all seven categories.
